

Usage Statement

These license terms are an agreement between Telemedicine Solutions, LLC and you. Please read them. They apply to the WoundRounds software. The terms also apply to any

- updates,
- supplements,
- Internet-based services, and
- support services

for this software, unless other terms accompany those items. If so, those terms apply.

BY USING THE SOFTWARE, YOU ACCEPT THESE TERMS. IF YOU DO NOT ACCEPT THEM, DO NOT USE THE SOFTWARE.

NOTE: These same terms of use are part of the contract your facility agreed-to with Telemedicine Solutions, LLC.

-
- User acknowledges that he/she is authorized to access electronic medical records and individually identifiable health information (“Protected Health Information” or “PHI”) maintained by Client.
 - User agrees: (a) to hold the PHI in strict confidence; and (b) except as expressly authorized by his/her supervisor, not to, directly or indirectly, use, disclose, copy, transfer or allow access to PHI.
 - User understands and agrees that WoundRounds (WR) is not engaged in the practice of medicine and that this Product(s) is an information tool only and is not a substitute for competent medical advisors. All medical practice management and patient care decisions made using the Product(s) will be exclusively the responsibility of the Client-User.
 - Client agrees to indemnify and hold harmless WR and its officers, directors, shareholders, and employees from any and all claims that any improper medical treatment resulted from use or reliance upon the Product(s).
 - WR does not warrant that its Product(s) will operate uninterrupted or error-free. WR is not responsible or liable for failure, interruption or delay in transmission due to Client’s Internet connection or Network performance.
 - Confidential Information of the WR system includes, but is not limited to the structure, organization, design, algorithms, methods, templates, data models, data structures, flow charts, logic flow, and screen displays associated with this Product.
 - User agrees: (a) to hold WR’s Confidential Information in strict confidence; and (b) not to, directly or indirectly, use, disclose, copy, transfer or allow access to the Confidential Information.
